

9 January

Assembly Theme: National Thank You Month
Going for Goals

Festivals, Celebrations and Special Events:

Save the Eagles Day (10th)
Amelia Earhart Day (11th)

We are a multi faith school:

13th - St Hilary's Day (Christian)

According to tradition, "St. Hilary's is the coldest day of the year." St. Hilary was a fourth century Bishop of Poitiers.

14th - Makar Sankranti (Hindu)

Makar Sankranti is one of the most important festivals of the Hindu calendar and celebrates the sun's journey into the northern hemisphere

Standard of the week: Take a pride in what you do

On this week in History

Earth's Rotation Proved 8 January 1851

On 8 January 1851, using a device known as Foucault's pendulum, Frenchman Léon Foucault demonstrated that the Earth rotates on its axis. He discovered that if a long pendulum with a heavy weight was set swinging, the plane in which it was swinging would appear to rotate.

1973: Nixon orders ceasefire in Vietnam

President Nixon orders a halt to American bombing in North Vietnam - following peace talks in Paris

Literacy Corner - Find the antonym for each of the following:

happy, frost, grateful, correct, clean, advantage

VR: What does it mean?

Avowed, quaint, raiment, ramble, rank, dwelling, roam, robust, shrine, sleek, stern, score

Question of the Week:

Can animals see and hear things we can't?
